

Rally in support of on site wardens

NORTHAMPTON
Wednesday 9th June 2010

Assemble in George Row 12 till 1pm

Photo Mrs Pearl Farey and Mr Fred O'Donnell

Pearl and Fred have said we feel

**“ betrayed, ignored ,
trampled over and
seen at best as an
inconvenience”**

Join us on the 9th June

Pearl and Fred are both tenants' of Northampton Borough Council living on different Sheltered Housing schemes but both suffering from changes made to the warden service.

Both moved into Sheltered Housing because of the on site warden and with the expectation that it would be maintained

As can be seen by the photo overleaf both have given service to this country, Pearl (Burma Star and mentioned in despatches) Fred was a Japanese POW from 1940 till 1945.

Surly we owe this generation who gave so much—something?

**PLEASE SHOW SUPPORT and TURN UP ON THE 9th June
